Tribute & Dedication

The Class of 2002 would like to honor our class advisors, Ms. Payeur and Mrs. Ollerhead, by dedicating our yearbook to them. From that first terrifying day as Freshmen, it was a relief to know we had not one, but two teachers at our disposal who were just as new to MHS as we were. Although many of us have not had them on our schedules for social studies or math, every Senior has had some contact with them. They have been our guides either in the classroom, on the playing field, or in organizing class functions. From designing and completing four homecoming floats to spending hours with prom committee doing prom-prep 'stuff' on a Sunday, they've helped us grow in so many ways. Through these four years, the most important lesson we have learned from

The official presentation of the check to the scholarship fund set up in the memory of history teacher Bill Deasy's brother-in-law, lost to events that occurred on September 11 at the World Trade Center. Along with every other American, we will remember September 11 as a day that not only happened during our Senior year in high school, but one that changed our views of our country and its people.

As of press time for the publication of this yearbook, MUWA had raised over \$5,000 and were continuing onward. Instead of focusing on a senior trip or graduation night, the officers and advisors directed their year to helping others. Congratulations on teaching the rest of us how easy it is to be selfless.

these two incredible people is that anything can be accomplished when you're having fun. But for some of us, we call them more than just 'teachers' or 'advisors'...we call them friends. Not only have they contributed to the class, but they have given their love and support to the country. They took the initiative to create a volunteer organization, Mansfield Unites With America, to help the victims of September 11th. These events hit close to home with the loss of history teacher Mr. Bill Deasy's brother-in-law. As of the Thanksgiving Day rally, Mansfield High School students had raised \$3,500 and presented a

check to Mr. Deasy and his wife for a scholarship fund. Ms. Payeur and Mrs. Ollerhead were the first to come forward to create such an organization. They gave our students the opportunity to channel their grief into something wonderful. Thank you, Ms. Payeur and Mrs. Ollerhead, for being the backbone of our class.

Class Advisors Marya Payeur and Sandy Ollerhead and Senior Class Officers Carrie Pessini, Matt O'Neill, Kelly Goffredo and Kayla Certuse were proud to take part in the fundraising efforts of MUWA.

Where MHS spirit truly shines

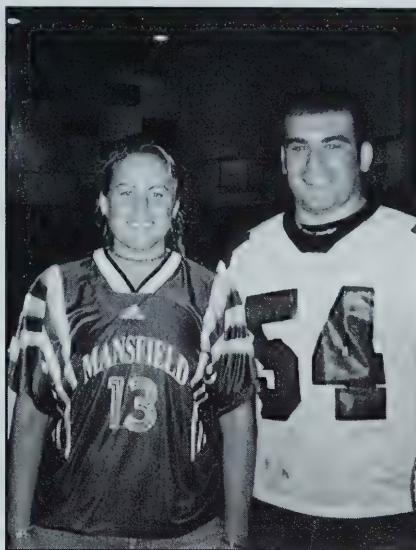

was something for everyone during this weekend. The Junior classed pulled out the improbable upset in the float contest, snubbing the seniors of the crown. Also upset was the football team as they suffered their only setback of their Hockomock League play in a thrilling game against North Attleboro. The annual Homecoming Dance also proved to be a source of delight for all who attended. Thanks go out to all those who were actively involved in the planning of the events and festivities.

6 Homecoming

These juniors are busy painting their version of a "rocketeer". Their hard work earned them first place in the float competition.

Eddie and Kayla, the MC's of the rally, get students and players psyched up.

The Homecoming Court chaperoned by the Senior Captains. By looking at these faces, you would have never guessed how cold it was on this October day!

Miss Elise Galvanin, Homecoming Queen was honored to represent her school.

These freshmen are loving the pride and spirit of Mansfield.

On any given day, green can be seen through the hallways. This rally is no exception for this group of freshman.

The Senior Class gets more outrageous every year. Even though Pat and Mark are in skirts, all eyes are on Myles!

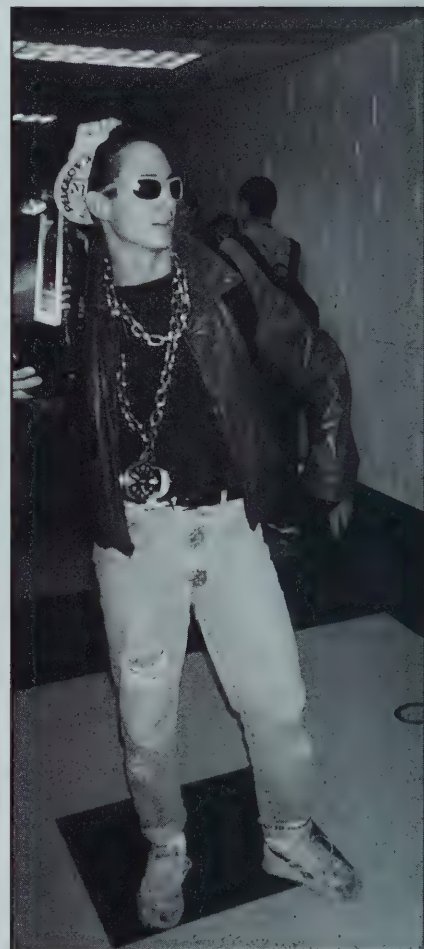

Nicki and Meg, princesses from head to toe!

Wonder if Kayla would be a good quarterback in this borrowed uniform from #10.

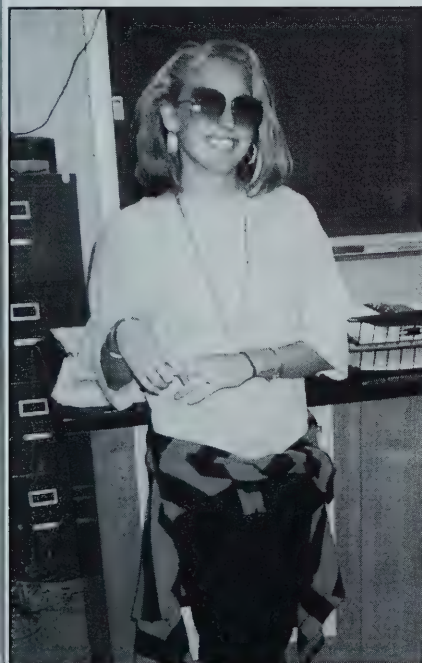

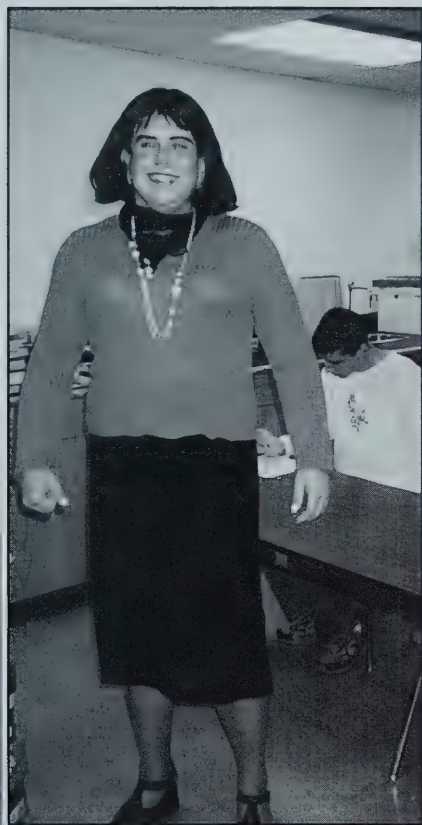

Star light, star bright, Mike McSheffrey's the brightest you'll see tonight!

Gabe impersonates MJ, "I'm BAD.. You know it!"

Pretty woman, Myles Arnold rivals Julia Roberts.

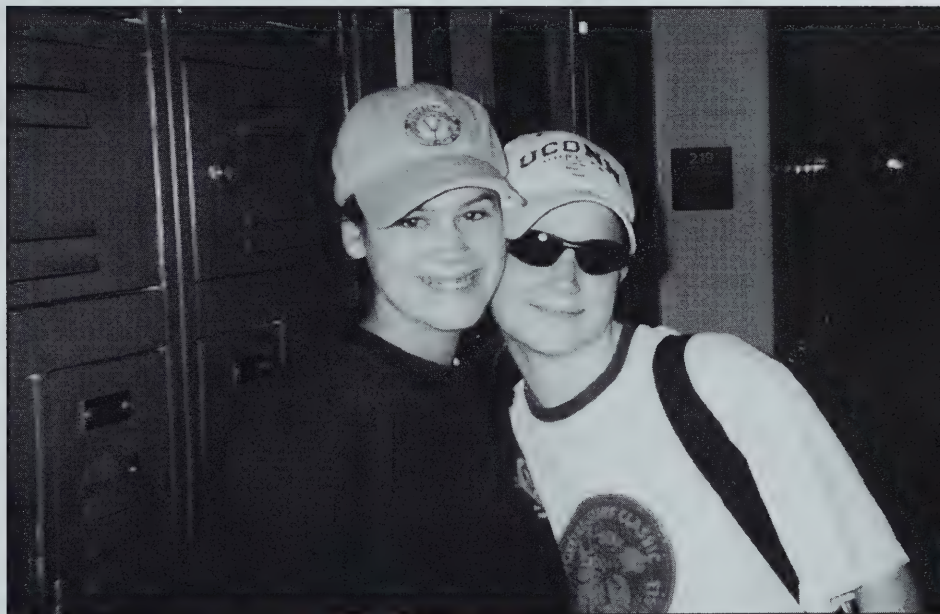

Jill Devine, the working girl. Sadly, there are teachers who can remember the days when this was cool.

SPIRIT WEEK

MHS at its Best!

This year, nearly everyone got involved in Spirit Week and showed their Mansfield pride. One could spot different movie characters in addition to a performance of Michael Jackson's moonwalk. The week opened with a traditional Pajama Day (aka Scrub Day). Tuesday was 80's Day, where high-water jeans suddenly became stylish. Wednesday was Opposite Day, in which football stars became field hockey

players. On Thursday, you saw two of a kind for Twin Day. To end the week the faculty and students showed their Green and White at the Homecoming Rally. In addition to the crazy attire, over 1,000 cans of food were collected for Our Daily Bread. This Spirit Week was the most successful in recent years, but which class was the loudest?...Go Seniors!

Jen and Meg, don't you wish you could dress like this everyday?

According to Jared Felty, disco is still alive.

Class of 2003...these girls are ready for the night of their lives!

Sandra and Justin are dressed in their finest.

A royal court for a royal evening...what could make it better?

Shawn and Kristen make an attractive couple...especially on the dance floor.

Jasmine gets down on the dance floor.

Who brings a deck of cards to the prom?

Jessica and Katie show their pearly whites for the camera.

Steph and Shaun, congrats on being on prom court.

PROM 2001

A Night in the Enchanted Forest

Prom 2001 was an extreme success, by all measures. Each year, the seniors place their trust in the junior class to make their prom extra-special. Our seniors weren't disappointed! Everyone had a blast thanks to the Class of 2002 and a little help, okay a lot of help, from our class advisors, Ms. Payeur and Mrs. Ollerhead. The ballroom at the Holiday Inn in Mansfield sparkled with lattice, white lights and artificial trees. But that special touch was the live goldfish on each table! Someone from each table received a new pet

to bring home along with their other gifts. We danced the night away to a variety of great dance music and all of the oldies were included! The Prom King and Queen of 2001 were Beth Adams and Dan Clapp. The Prom Court was made up by Juniors Stephanie Smith, Shaun Kezer, Elise Galvanan, Bruce Burley, Chrissy Zogalis, Mark Dunfey, Stephanie Coyne John Connell, Megahn McKerverey, Gabe Dye, Buddy Stearns and Lisa Zogalis. We will always look back upon this evening with fond memories.

Mike is taking a break from all of the excitement.

Myles and Amy arrive anticipating a night of fun.

Eddie, are you stealing someone else's date?

Pat takes a break from his card game and Kayla takes a break from Bill to have their picture taken!

Elise and Lindsay are looking beautiful in curls.

After all of the hard work and dedication to the prom, these girls just want to have fun!

Hopefully Mike's not too heavy for John!

The makeup, the hair...these girls have it all!

Mike's trying to be cool by hanging out with these football players.

Kristina and Shauna are ready to dazzle the boys.

Dana and Jenny...the best of friends sharing the spotlight.

Hey Tony, are you keeping those flowers for yourself?

Billy, Kelly, Steph and Shaun are about to take the plunge at the snow tubing park in Valcartier.

Nicki, Amanda and Caroline pausing only for pictures at the dance club.

Bienvenue a Canada!

Lindsay W. and Lindsey O. at the IMAX Theatre, all set to watch some 3-D movies.

First stop of the morning, the ornately decorate La Citadelle. Look closely, there are statues of the founders of Quebec in the windows.

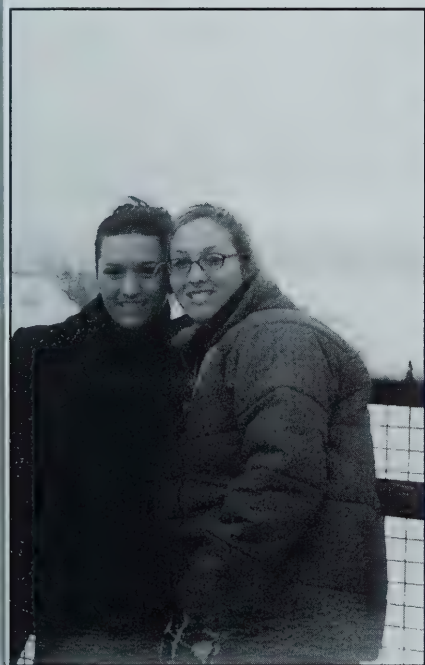

Katie, we knew that you're an artist, but we didn't think you could do ice sculpting too! The city was decked out for their annual Quebec's Winter Carnival.

QUEBEC CITY

Our Winter Getaway

In February of 2001, two bus loads of MHS students took a vacation in the beautiful and antique Quebec City, Canada. For a fun-packed four days and three nights, we toured the historic city by foot and by bus, meeting the locals, or "Quebecers". We visited the magnificent St. Anne de Beaupre Cathedral, where the sick came for miracles and left their crutches behind when they were cured. We spent hours at an outdoor winter park, Village des Sports in Valcartier, with trails for snow tubing, an ice-skating river and even go-carting (warm clothes were a must!). We also had our own club de danse (dance club) to ourselves where we spent the entire

evening dancing. No one will forget Les Galeries de la Capitale, the gigantic mall with the indoor theme park and ice skating rink...roller coaster anyone? We ate at several great French restaurants including L'Astral, which slowly revolved above the city while we watched a light snow drift down all around us, and a delicious Oriental/Canadian eatery called Tomas Tam. It constantly snowed while we were in Quebec but no one really minded since it was a winter vacation in a different country, experiencing another culture and surrounded by new and old friends! Au Revoir Quebec, La Belle Province!

Danielle and Elise stand in front of the spectacular view atop Montmorency Falls, 30 feet higher than Niagara!

Jared and Shaun are taking out their frustrations with bumper cars inside Les Galeries de la Capitale.

Check out the opening of a working snow cave, or "Ice Hotel", where the daring pay for these cold accommodations.

COSTA RICA

The exchange that changed us forever

By being involved in the Costa Rica exchange program, we all learned an unseen amount of useful values that are sure to carry through for years to come. The program began with a group of Costarican teachers and students staying with us in the fall and finished with Mansfield students and teacher Sergio Morales venturing to Costa Rica in the spring. One of the main requirements to make this a successful ex-

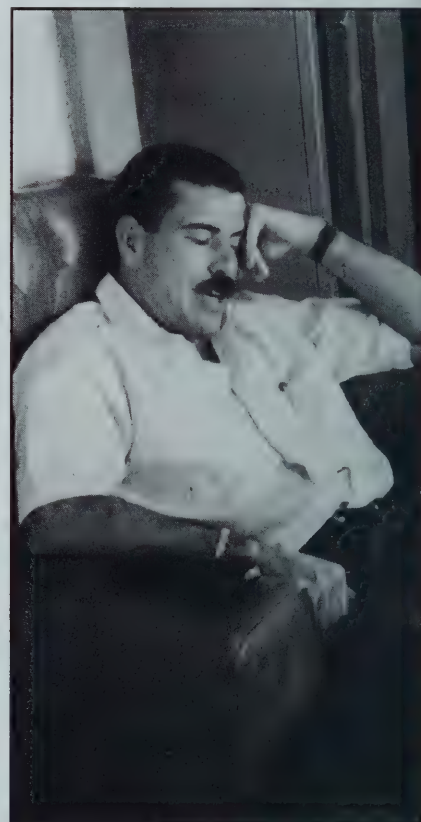

change was the ability to interact with those of a different culture, and adapt to their ways. Yes, there were times when we didn't know what to say or eat, but these feelings quickly escaped our fun loving mind! Say what you want, but it's clearly apparent that this trip was action packed from the start. The activities planned for us ranged from cloud gliding in the mountains, Monte Verde, packing into a bus to cross the "Sahara"

to the sightseeing and tans of Manuel Antonio National Park where monkeys and sloths were like cats and dogs. After 8:00pm, the group would most likely be found at the local discotec or at a friend's house dancing the night away. After seeing three foot lizards and battling through white water rapids, we returned home to Mansfield looking the same but feeling completely different within.

Watch out Manuel Antonio, here we come!

Please pass the sunscreen...

Sr. Morales takes a quick break from the energetic group...Ayudame

EUROPEAN TRAVEL CLUB

One Week in Paris and Madrid

During the summer of 2001, eleven seniors traveled to Spain and France with Mr. McGovern and Mr. Atwood. We arrived in Madrid and our first day in a foreign country proved a learning experience as we had to overcome language and cultural barriers. Though some of us spoke Spanish, we often became confused ordering anchovies instead of chicken and getting an ice cream sundae while trying to order a sandwich. While in Spain we stayed in

Madrid and visited Toledo and El Escorial. We enjoyed flamenco dancers, shopping and visiting castles and museums. Our adventures continued as we took an overnight train to Paris. While in the capital city, we visited the Louvre, the Eiffel Tower and Versailles. We danced the night away in a disco and tried the local delicacies. Our week in Europe is a time that none of us will ever forget!

Students take a break after visiting el arte in the Reina Sophia Art Museum in Madrid.

The Eiffel Tower...it's even more impressive in person!

Arriving in Spain, this group of seniors is ready for their European adventure.

Madrigal Dinner

Dining and Theater... Medieval Style

Rachael Bley as Lady Evergreen.

Under the direction of Miss Rhonda Monroe, talented students of Mansfield High School produced for the first time a theatrical dinner with a unique theme. When the audience entered the high school cafeteria, they found themselves in "Deep Manor," a Renaissance Court with dining tables formally decorated by students and parents. King Matt McGuire and Queen Rachel Lapal headed the royal court, which consisted of senior choir members.

Along with the entertainment, the audience was served a three-course meal, catered by Catering by Distinction of Boston, headed by Robert Constantino. Gifted actors, actresses, servants, dancers, singers, and musicians performed to create a memorable evening. The hard work of Miss Rhonda Monroe, the concert choir, and all the parents made this year's winter production of The Madrigal Dinner a tremendous success.

The whole cast takes a bow.

Melissa and Allie are old pros at getting dressed up for school dances. They have been known to plan ahead and even wear the same outfits!

Looks like these friends are happy to be dancing!

There's no sibling rivalry between sisters Nora and Tricia Harrison.

This couple took a break from the dancing and were found hanging out in the lobby where it wasn't so hot!

The Sophomores were dancing up a storm at this year's Holly Ball.

It was all smiles at this dance!

THE HOLLY BALL

The annual Holly Ball was sponsored by the Student Council. Ms. Degirolamo coordinated the dance and like every other event sponsored by the Student Council it was a great success! Many people chose to bring a toy in place of the admission, which went directly to children of the Mansfield community. MHS

students, when given the opportunity, always shine and proved themselves again with the amount of toys that were donated. Students who attended had looked forward to the first semi-formal of the year and were surprised by the first snow fall of the year as they left the dance.

Nicole and Steve enjoy the night out together.

Check out the performing arts gang...they clean up well!

If only these boys (left) could find the courage to ask these girls (above) to dance...everyone would be happy!

Diamond Notes

The 2001 campaign for the Hornets Varsity Baseball proved to be a fun-filled and competitive season. The Hornets ended the season with a 9-11 record and fighting for, and nearly obtaining a tournament bid. The team was led in part by the contributions of Bill Flaherty, in the outfield and at the plate. Shaun Kezer led the charge both on the mound and behind the plate. John Connell patrolled centerfield and batted lead-off, while Pat Kent

made his presence known on the mound and at first base. Mark Dunfy was plagued by a broken finger, but along with Kezer was named captain of the senior-laden 2002 squad. Contributions also came from Mike Alskninin in right field and from sophomores Scott Kessler and Matt Quinn. Kessler showed strong command on the mound and Quinn was solid behind the plate. This year's squad is optimistic and is looking for a tournament birth.

The 2001 Softball team ended their regular season with a 12-8 record. Making it to tournament was a definite highlight, however it was cut short due to a 6-1 loss vs. Milton. That game was preceded by a 4-0 victory over Wellesley. Senior co-captains Angie Digiampietro and Kate Condon led the team and were supported by Kate Fallon and her fine pitching

skills, Pella Anderson in center and Julie Winslow at third base. One of the most exciting rallies came against North where the Hornets went into the bottom of the 7th inning down by 1 run and 2 outs. Jill Blacker and Angie both singled and then Lisa Zogalis hit a double knocking in the tying run and later scoring the go ahead run. Mansfield went home with the victory.

BOYS LACROSSE

Catch, Cradle & Conquer

Last year was a great success for the Boy's Varsity Lacrosse team. It was their first year playing at the varsity level and had a goal set for 7 wins and 7 losses to qualify for the state tournament. The team over achieved by going 11-3 in the regular season, earning them a home playoff game. The team had gone 9-0 at home, but was up against 17-0

Algonquin Regional. The Hornets struck first and kept the pressure up and won 11-5, before losing the next round to #3 Medfield. The team went 10-0 at home and next year we are returning 7 of 10 starters. With Senior Captains Pat Hill, Eddie Drake and Evan Benson, the 2002 season looks promising.

GIRLS LACROSSE

Red Bull Gives You Wings!

After 2 years of being a club team, the Girls Lacrosse team had a successful season as a varsity team by qualifying for tournament. One of the most exciting and well played games was against our rivals at Algonquin. After a long bus ride, we arrived at the field and we found ourselves in the midst of a rainstorm. As we stood together and played as a team, we wouldn't back down. Algonquin thought it would be an easy game, but we gave them a

run for their money. Even though we lost, our offense pushed the crease and the defense held them off like never before. We walked off the field soaked and muddy with our heads held high. We knew we had played the best we could and worked hard together as a team. The 2002 team, captained by Colleen Murphy, Cara Dunn and Mandy Gray, hopes to continue the tradition of having a better record than the year before.

BOYS SPRING TRACK

Going the Distance

The Boys Spring Track team, coached by Mike Atwood, ended their season 6-1-1, placing them second in the Hockomock League. The team's MVP was senior captain Billy Stanely while the Most Improved Award went to sophomore Ryan Collins. One highlight of the season was when Billy Stanely, Mark McDermott and Fran Guardabascio went 1-2-3 in the mile at the Hockomock League Championship. Other highlights included Rachid Ali in the 400m, Jay Therian in the discus, Buddy Stearns in the triple jump, Bruce Burley in the 100m

and long jump and Lee DeRosa in the 200m.

In post-season action, juniors Jay Therian and Mark McDermott both advanced to the All-State Meet following successful performances at the Eastern Massachusetts Class-C Championship. Therian threw the discus 134 feet and 4 inches while McDermott ran 4:37 for the mile. Both competed against the entire state the following week at Worcester State College on a rain-soaked Saturday. As voted by the team, the 2002 captains will be Rachid Ali and Mark McDermott.

GIRLS SPRING TRACK

Running for the win

Girls Spring Track had a tough start. The team had to do without a track at the high school. It was hard, but they managed. They were able to travel back and forth to Southeastern High School, bonding on the way. We had a successful season with great sprinting and distance teams and an exceptional hurdling team. Qualifying for the state competition were Captains Rachel Henderson and Bridget Bowes,

Seniors Kaitlin Rea and Caitlin Roy, Juniors and Captain elects Nora Harrison, Lauren Mannarino and Melanie Vaughn. Also qualifying were Junior Billie-Ann Kelly and Sophomore Tricia Harrison. Sprinter Melanie Vaughn was voted team MVP and Sophomore Ashley D'Ambra was voted the team's most improved. Altogether, the team had a fun and successful season.

BOYS TENNIS

Serving Up an Ace

The Boys Tennis team had a great 2001 season and their best effort was by far the tournament game against Needham. The Hornets were placed at the 12th seed while Needham held their spot at the 5th seed. Ryan Lutz at 3rd singles, Captains Eric Adams and Brian Genoa at 1st doubles and Shaun

Connington and Ben Carroll at 2nd doubles grabbed three wins and came out with a 3-2 victory over Needham. Ryan Lutz and Eddie Richardson are looking forward to being captains of the 2002 team and great things are expected from underclassmen like Mansfield's MVP Giovanni Cuscina.

GIRLS TENNIS

Grace under Fire

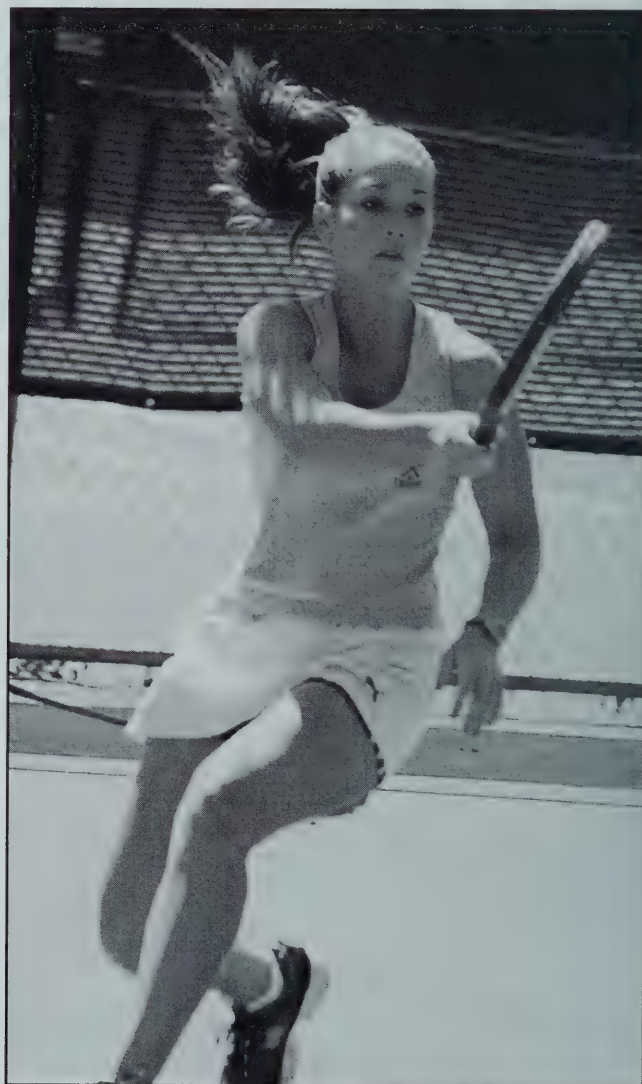

The 2001 Mansfield Girls Tennis Team had an excellent and exciting campaign. Under the guidance of their coach for twenty years, Diane Jackson, and captains Jessica Rousell and Jill Lambert, the Hornets advanced to the tournament where they were ousted in the first round by Coyle Cassidy. The Hornets seven woman varsity team was led by first-singles player Jessica Rousell, followed by Tory Hackett at second-singles and Tina Spagnoli in the third-singles slot. Both doubles teams were

also impressive, with Emily Noonan and Erin Cavanaugh on the first team and Jill Lambert and Amy McDonald at the second slot. The end of the year awards went out to Jessica Rousell for the Most Valuable Player, Tory Hackett for the Most Improved Player and Emily Noonan for the Most Fun and Energetic player. Congratulations to each girl on an impressive season and captain elects Tory Hackett and Tina Spagnoli. The Hornets look forward to another great season in 2002.

Hornets Swarm Hock

The Hornets rolled out to a 6-0 start their vaunting defense only allowed 22 points. This unrelenting defense was led by senior captain Shaun Kezer, Dave Diamond, Myles Arnold, and Jay Therrian, Buddy Stearns, Bruce Burley, and the Human Missile Pat O'Connor. The defense proved to be the best in the Hock and ended the season allowing a grand total of 74 points over eleven games, an average of

6.7 points per game.

The offense was led by the dynamic duo of Bruce Burley and senior captain and Hockomock League Offensive MVP John Connell. This tremendous output, coupled with the aerial attack of junior Bill Antonucci at quarterback amassed a grand total of 325 points on the season, an average of thirty per game. Antonucci was protected well by his offensive line

by Myles Arnold, John "Buster" Perry, Tony Lattanzio, Dave Felton and Captain Eddie Drake.

The Hornets lost Bill Flaherty for the season due to a knee injury. Immeasurable contributions came from seniors Evan Benson, Phil Tracewski, Jesse Gauthier, Ben Nestor, Joe Pourier, Raciid Ali, and Lee Derosa both on the playing field and each day at practice.

Field Hockey

Simply the Best

Congratulations to the girls Field Hockey team for an amazing season. The team was led by thirteen seniors: Captains, Cara Dunn, Elise Galvanin, and Lauren Maxwell. Also, leading the pack, were seniors Katie Oberlander, Lisa Zogalis, Lindsay Call, Stephanie Coyne,

and Liz Gyves. Powering the defense were Chrissy Zogalis, Lauren Mannarino, Mandy Gray, Heather Catherwood, and Laura Pircio. The Hornets ended their season in a well played game versus Martha's Vineyard. For the second straight season the Hornets lost a close game, 1-

0 in double overtime. The season was not without highlights, however, and the two best played games came in tying number one ranked Canton in a rematch, 2-2, and a win over Foxboro in the waning seconds and qualifying the team for tournament.

Boys Soccer

Dribble on Boys

The Boys Varsity Soccer team had a great season. The team ended fourth in the league, and made it to the first round of the State Tournament but ended with a loss to Oliver Ames. The team was led into the post-season under the guidance

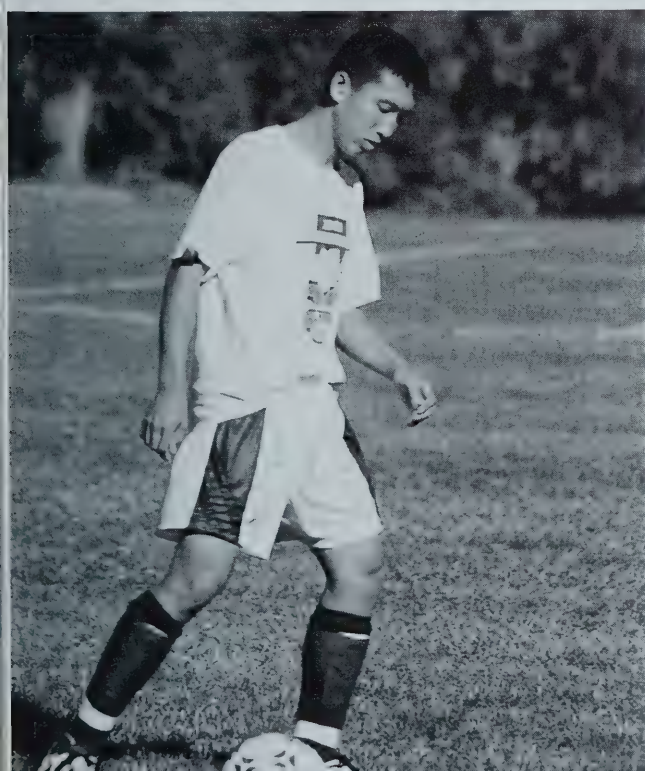

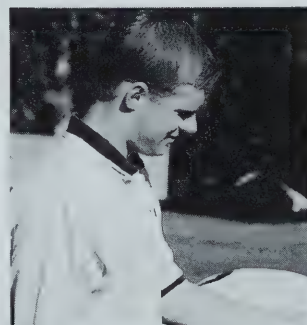

of senior captains Ryan Lutz and Greg Bowen. Other seniors, including Pat Hill, Nick Scarchilli, Justin Eastman, Andy Bayon, and Nate Nanfelt provided quality play throughout the season. The highlight of the team's season was a victory

over Oliver Ames and Franklin, two of the toughest teams in the Hockomock league. The Hornets proved that they could compete with the best, and earned a place near the top of the Hock for the third straight season.

Girls Soccer

Down and Hard

The 2001 Girls Soccer Team was committed right from the beginning. They attended a summer camp that was difficult, but it prepared them for the challenges to come. While they ran sprints under the blazing sun, they were also building enduring friendships that will last a lifetime. When the season commenced,

they were ready. Under the leadership of captains Kayla Certuse, Danielle Wickersham, and Billie Ann Kelly, they set goals and scored goals. As the season progressed they grew and improved as a team, learning to play together as effective team players. For the other seniors, Nora Harrison, Courtney Maxwell,

Stephanie Smith, Jill Devine, Stephanie Hooper, and Missy Davidson, it was a season to remember. There were games won and lost, but in the end they were a successful team, with memories of spirit and commitment to carry them forward.

Boy's Cross Country

Hockomock Champions

This year's cross country team had a terrific season. The team, led by captains Mark McDermott and Mike Atwood, won the Hockomock League Championship. This talented group of runners proved to be very devoted and began their training in early summer, running as a team throughout the town. The devotion and teamwork displayed in the early summer months pervaded through the entire season and

into the post season. The team defied all expectations and earned the respect of other teams and coaches throughout the league. The strong leadership exhibited by this year's seniors, including co-captains Mark McDermott and Mike Atwood, as well as Adam Johnston and Brendan Holt, was tremendous for the younger runners. Congratulations go out to all the team and coach Atwood.

The Girls Cross Country team had an improving season. Though the girls had only two wins, they came back at the Hockomock League Championship Race to finish in the

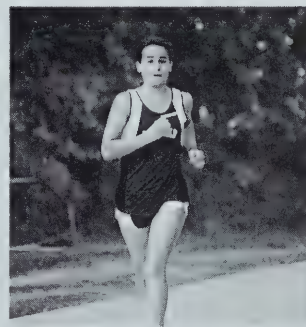

middle overall. Top runners for the Hornets this season were Senior Captain Lauren Buckel, Junior German Exchange student Kathryn Lynn, and Freshwoman Katie

Brague. The highlight of the season was a win over Foxboro in the Sharon/Foxboro meet. All runners ran their best race in this meet.

Boy's Golf

FORE!!!

The 2001 campaign proved to be a good season for the boys on the golf team. Led by senior captain Mike Parrillo, the Hornets hung tough all year and the inexperienced team is looking forward to great things in the future. The Hornets held tight in every match, and improved greatly as the season progressed. Head coach, Stu Hershman and assistant coach

Kevin McGovern gave the Hornets valuable tutelage and training. The seniors included Captain Mike Parrillo as well as Ed Richardson and Brian Bellmore. The Hornets looked great on the course this year and look forward to more competitive campaigns in the future. Next year's captains are Cory and Kyle Cedrone.

Girls Volleyball

Bump, Set, Spike

Captains Lacy Toback and Dana Guy led the 2001 Volleyball team through a tough season. With three new coaches, the team struggled to pull it all together but by the end of the season, they were working hard and winning matches. With just two

returning seniors to start the team, the Hornets picked up Tanya Brown and Colleen Murphy to help stabilize the Varsity ranks. A terrific time was had by all as practice each day and matches proved difficult, but also fun and rewarding. At the end of the

season banquet, awards were presented to Colleen Murphy for the Unsung Hero Award and Tanya Brown earned the Most Valuable Player Award. Spaghetti suppers were abundant, keeping the team spirited for each match.

Football Cheerleading

GO BIG GREEN!

After returning seven cheerleaders from the previous season, the Cheerleading team's performances and overall skills grew. This year's Captains Jaelle Bopp and Lacy Fleming led the team in two competitions at Medway and Foxboro. At each competition the girls performed amazingly. The

level of each girl's ability grew in leaps and bounds and it was evident that everyone had a wonderful time. It was an exciting season for the team cheering for the football team and competing in competitions. The girls had a great season, had a great time, and shared in all of the highs and lows of the

guys whom they cheered for. Good luck to the girls competing in competitions. The girls had a great season, had a great time, and shared in all of the highs and lows of the guys whom they cheered for. Good luck to the girls next year.

Boys Basketball

Don't Mess with the Nest

The Boy's Basketball team was lead by Senior co-captains Mark Dunfey and Pat Kent. With only four seniors on the squad, the team received great contributions from the underclassmen. The boy's team worked hard day in and day out at practice, and were in most of their games; only losing by a few.

Although the team fell short in qualifying for

the state tournament they have proven they can play with the best of teams. For instance, their defeat of the Black Knights of Stoughton in the beginning of their season was one of their highlights. The support of the fans throughout the season was what kept the team going. The "Nest", no matter what the score, was loud and spirited with cheers for the team and pride for their school with their "Don't Mess with the Nest" shirts.

Girls Basketball

All about teamwork

This years girl's basketball squad was lead by senior co-captains Kayla Certuse and Danielle Wickersham. The team compiled a 11-9 record, good enough to qualify for the state tournament. With 7 seniors on the team, there was plenty of experience and leadership on the court. One of the highlights of the season was the victory over Hockomock Champions, King Philip and Stoughton. The girl's tenacious defense proved to be too tough for their foes. On the offensive end, they seemed to be unstoppable with the

great execution of their offense. The team also got great performances from the underclassman who definitely stepped it up this year. In the preliminary round of the state tournament, Mansfield defeated Plymouth North at home in front of a great supporting crowd. Coach Redding, and Coach B.J. Sparrows should also be congratulated for all their hardwork they have put into this season. For the seniors, the victories, defeats, laughter and memories will surely last a life time.

Senior co-captain Kayla Certuse dribbles down the court, of course, looking up.

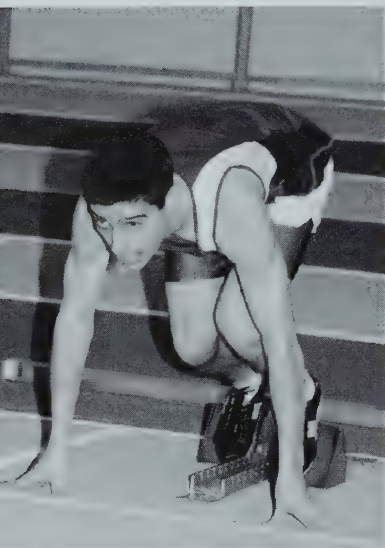

Nice defense Jill. Keep those hands up!

Boys Winter Track

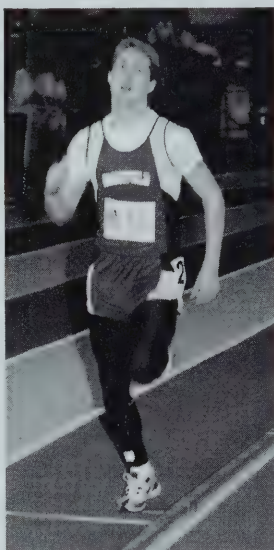

Hockomock League Championship Champions

Mansfield's Boy's Track Team was expected to do great things, not in the dual meets which would be a simpler task but in the League Championship and at the Class meets where over 40 teams would run. After not placing first in the regular dual meet season, the boys came out as Champions in the Hockomock League Championship meet, at the Reggie Lewis Center in Boston. The 4x200 meter team placed 1st in the Class C Meet, breaking the school record and just missing a meet record by only tenths of a second. Placing 3rd at All-States, again breaking the school record, did not expect to

place at the next meet, proving people wrong the team placed 3rd again at New Englands, running against five other states. Runners for this team were, Captain Rachid Ali, Pat Hill, Lee Derosa and Chris Kiley. The seniors provided great leadership to set the tone to the underclassmen. But also, many of the underclassmen proved themselves to the team. Excellent jumping from junior Pierre Neil, hurdling from Terry Young, throwing from Derek McCune, and running from sophomores, Josh Kenny, and Mike Lawlur helped gain points for Mansfield throughout the season. Good luck to the team next year.

GIRLS INDOOR TRACK

A Promising Track Team

Mansfield High Schools Girls Indoor Track team had a fantastic season. The team has come forth with many promising runners in the underclasses. Led by Captains, Katie Oberlander, Lauren Mannarino and Nora Harrison, the team came in at 3rd place at the end of the season.

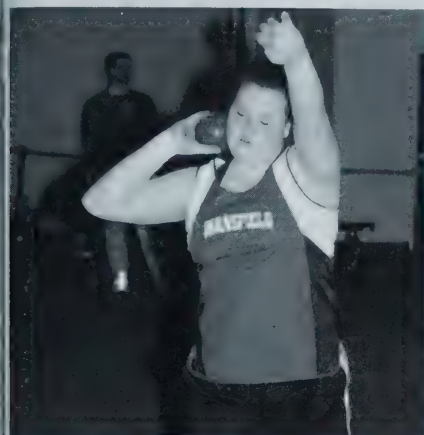

Qualifying for the Class C State meet were: Captains, Nora Harrison, Lauren Mannarino and Katie Oberlander. Also qualifying for the Hornets: Tricia Harrison, Kristin Oberlander, Melanie Vaughn, Corey DiFlamines, Ashley Shaker, Alicia Zonenshine, Kara Choinere, Sara Jaquette, Christine Miller and Lauren Buckel. Lauren Mannarino was elected MVP, Melanie Vaughn-Unsung Hero and a tie for Most Improved runner, between Senior Lauren Buckel and Freshmen Sara Jaquette. Next Years Captains will be Carolyn Egan and Genie Gasson.

A special congratulations to

this years Hockomock All-Star Athletes: Lauren Mannarino: After breaking the dash record last year, she placed third in the 300 at Hocks and broke the school's 300 meter record. Kristin Oberlander: The number one Hockomock League high jumper. After placing 2nd at last years All-State meet Kristin came into this season jumping 5'4" at her first meet. Kristin also qualified for the states 300 meter race. Katie Oberlander: Placed fourth at the Hock Championship meet in the 600 meters running 1:46.1 at the Class C State meet; also a top runner for the Hornets 4x400 team. Mansfield's 4x400 team consisting of Kristin Oberlander, Melanie Vaughn, Katie Oberlander and Lauren Mannarino placed 7th at States missing All-States by .4 seconds. The girls had a successful season and hope to continue to be one of the key teams in the Hockomock League.

Ice Hockey

Skate, Score, Win!

The hockey team, with a new coach, pulled out one of their better seasons, better than ever before. At press time, they were looking for only two more wins for a tournament birth. One of the highlights of the season was a tie against Canton, who is always a strong team on the ice. The early morning

practices from 5:30 - 6:30 before school made for tired students but well prepared and enthusiastic hockey players. The team was led by captains Andy Webber, Matt Quinn, Matt Gannon and Nick Anderson and standouts Tom Kinahan, Mike Morse, Matt Gannon and Matt Kershaw.

Winter Cheerleading

Congratulations to the Varsity Basketball Cheerleading team on an amazing season! Coach Sharon Guthrie led her team day in and day out at practice along with great leadership from captain's Carly McKay and Jaelle Bopp. The team was able to pick up new

techniques through clinics they attended to help their overall performances on the court. Attending every boy's basketball game, the cheerleading squad helped to provide even more spirit to the team on game days. The best of luck to the returning squad next year.

Gymnastics

The Gymnastics team, during their first year as a varsity sport, ended their season with a record of 6-6. Led by captains Casey Bowdish and Courtney O'Connor, the team missed making the state tournament by .3 points, pretty impressive for their first year! Coached by Lauren Edwards, the team was experienced with gymnasts who have participated

in this sport long before it was introduced to MHS. Andrew Collieran, the team's only male gymnast and sole representative for the state individual tournament, performed his best on vault while competing on bars and floor throughout the season. With the entire squad returning next year, the team is looking forward to surpassing this years record.

Figure Skating

Going for Gold!

Throughout the year, the five members of the Mansfield Figure Skating team dedicated themselves to the grueling sport they love. Everyday they braved the cold with their thin metal blades, trying to master the ice. Both together and apart, they spend countless hours at the freezing rink, trying to accomplish that ultimate goal of becoming a champion. However, often they come out short. Given the time required in dedicating oneself

to the sport of Figure Skating, many sacrifices must be made...all for the dream of Olympic glory.

When asked to speak of her team Kim Kelly said, "I would like to commend my team on their hard work, commitment to the team, and the to sport of figure skating. I admire their determination and labor put forth. Their efforts in striving for excellence are shown through in the skaters they have become."

My life is always toward my family and friends I prefer to leave each day to its devices. Everyday is the holiday and everyday is an adventure in discovering the meaning of life. I would rather be out enjoying these simple things then pondering them. We may never really discover the meaning of life, but the knowledge we gain the quest to discover it is truly more valuable. The most important thing in my life is my family Aicha, Matt, Bruce, Veronica, Jessica, Erick Burley. I have learned a lot in my 4 years at MHS. I have changed in many ways, some for the best and some for the worst. One thing that I have learned is-that money can't replace a loved one, losing some one is hard as I have found out. I have lost too many people I love and have learned a lot from it, but have also lost a lot from it. "Imagine all the people...living for the world." John Lennon. God Bless America. Seniors

Matthew,

There is no gift more precious to a parent than the gift of your child. You are our special gift from God and we have watched you grow from a tiny 2lb preemie to a strong, intelligent, and handsome young man. When you came into this world you had to fight to beat the odds and stay alive. Today that same drive and determination helps you fight for what you believe in. You have strong principles and great ambition. You have accomplished so many amazing things, been so many places, and met so many interesting people from all over the world. We truly hope that your life becomes even more full of wonderful adventures and that you never give up your dreams. May you always have good health, much love and happiness, success, and prosperity in whatever you decide to do. You have made us proud and we will always be here for you no matter what. You are a very special person and we love you more than anything in the world!

Congratulations Mr. President!

Love, Mom and Dad

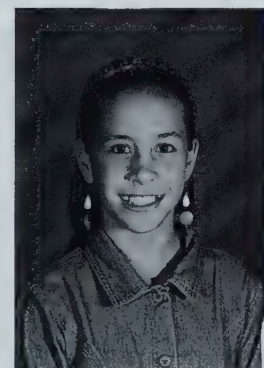

" Another turning point a fork stuck in the road
Time grabs you by the wrist directs you where to go
So make the best of this test and don't ask why
It's not a question but a lesson learned in time
It's something unpredictable but in the end is right
I hope you had the time of your life.

So take the photographs and still frames in your mind
Hang it on a shelf of good health and good times
Tattoos of memories and dead skin on trial
For what it's worth it was worth all the while
It's something unpredictable but in the end it's right
I hope you had the time of your life." *Green Day*

Lauren, may you follow your dreams, for they will always
lead you in the right direction. Believe in miracles, you are one.
Leap before you look, listen to your own wise and knowing
voice and demand nothing less than everything...
life has big plans for someone as special and gifted as you.
REACH for the stars, and know that you can do ANYTHING!
We are so proud of you and we thank you for giving us
the BEST time of our lives!
We love you!

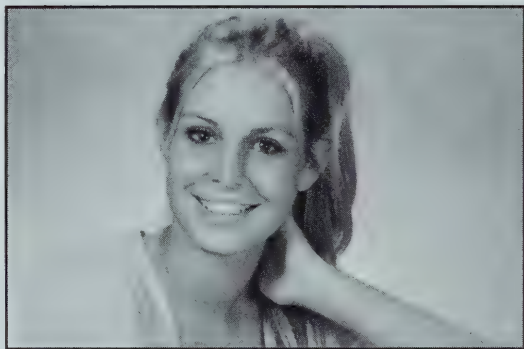

Ashley,

We can hardly believe that you are graduating. It seems like yesterday when we dropped you off at kindergarten and you went off with your long pony tail swingin behind you and you didn't even look back. We thought we would never be able to let you go. Now you are about to start another whole phase of your life and we have to let you go all over again, only this time it will be so much harder-you won't be coming home everyday after school. We will always cherish the years we have had together. We are so proud of you. We have watched you grow into a beautiful, intelligent, independent, sensitive and caring young woman. Remember that when you put your mind to it you can always

get what you want. May you achieve all that you want in life-you deserve

it. As your biggest fan, we will always be there supporting you no matter which direction you take. You are so special to us and we will love you and cherish you always and forever. Congratulations and Good Luck. We wish you the best. All our love,

Weiner, Dad, Robby & Lindsay

Cami,

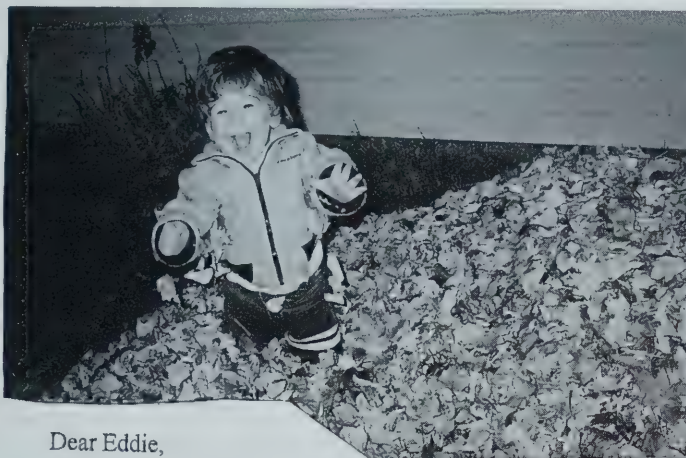

*You popped into this world so quickly On a Sunday long ago,
With curls and eyes of shiny brown, And a smile that steals the show.
A busy life you've led these years, With dance and drama and voice.
Always showing thought for others And aiming for the wisest choice.
Now here we are at the crossroads part, Where life unfolds before you.*

Always know we're close, just a phone call away

And holding you deep in our heart.

Love, Mom, Dad, Matt & Trina

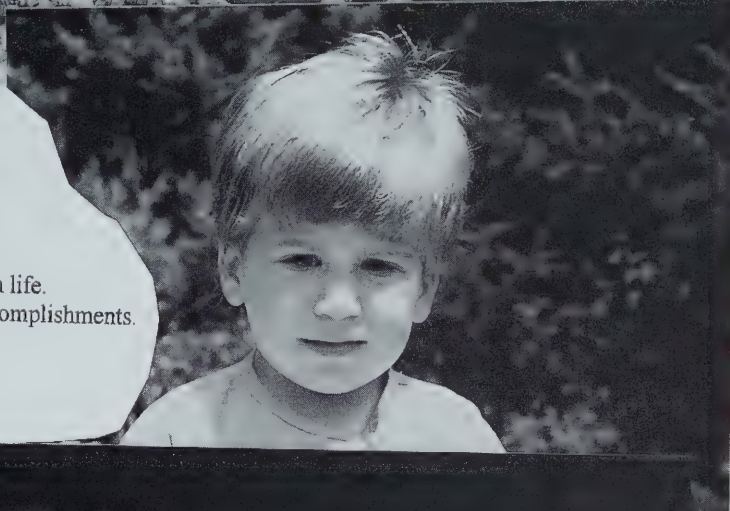

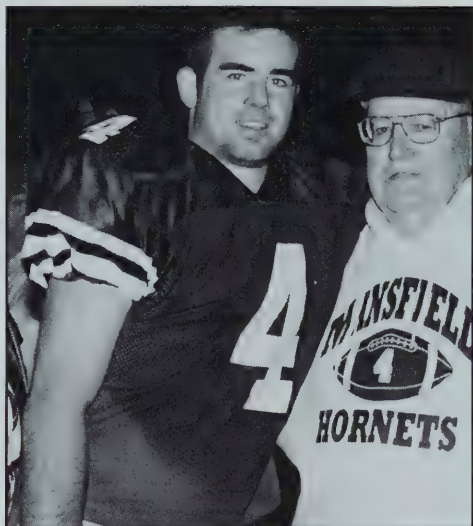

Dear Eddie,
 Let your dreams take you...
 To the corners of your smiles,
 To the highest of your hopes,
 To the windows of your opportunities,
 And to the
 Most special places
 Your heart has ever known.

May the joy you have given us for the past
 18 years continue on as you journey through life.
 We are so proud of you and your many accomplishments.

Thanks for the memories.

Karlene, We are so proud of you as you
graduate from MHS. You are everything a
parent could ever hope or dream of in a child.
You had challenges to overcome this year but
you are one of the strongest young women we
know. You never cease to amaze us.
Congratulations and know you are in our
hearts forever.

*It's hard to believe that you are graduating,
it seems like just yesterday you were starting
school. You have been the sunshine of our
lives for the past 17 years. We are so very
proud of you. Always remember we will be
there as you journey through life.
Love Ya! Mom & Dad*

It seems like only yesterday that you were a little girl toddling around the house. Then came the first day of school when we put you on the bus. Oh, how impatient you were for that day to arrive. (We weren't so sure that you really wanted to go to school again after that day though.) Many seasons have changed and years have past, here we are with you graduating high school and getting ready to take on the world. We have enjoyed watching you grow and are so proud of you. We love you very much. We wish you happiness and success in all your future endeavors. Love, Mom & Dad

Brandon,

YEARBOOK STAFF

Colophon and Editor's Notes

This edition of the Mansfield High School Yearbook was published by Herff Jones Publishing Company. Chestnut Hill Photography provided pictures for sports, dances, clubs, and class pictures. The production of 300 copies of the 200 page volume of the Mansfield High School yearbook "Carpe Diem" was incarnated with the intention of capturing the spirits of the individual students the school. They embody the rudimentary aspects of the school and essentially shape its being. The ability of each student to express his individuality makes the task of capturing the aura of the school a nearly impossible task. But, with the title "Carpe Diem," we

hoped that each individual could identify with the message and find an appreciation for it. This book is a very difficult thing to produce! From the finances to the actual page layout, each staff member had to contribute dozens of man hours to ensure its production. The cost of the book per student was \$50 and was split into two equal payments. The actual cost of producing this book was over \$16,500 dollars. Ads from local businesses contributed over \$1720 and ads from parents contributed over \$2980. All layouts were designed and completed on three IBM computers (all of which are very old and slow), with the aid of Adobe Pagemaker 6.5, Image In and Gallery Builder by Herff Jones. These programs enabled us to find, establish, and complete all layouts via computer.

Through the diligence and commitment of a dedicated staff and under the guidance of a thoughtful and passionate advisor, we attempted to capture the essence of the school and students. Cami Robinson's financial wizardry allowed us the freedom to worry about other things. Without Cami organizing all of our money, we would have been in big trouble. Danielle Goyea did a wonderful job hunting down businesses, getting many of our ads in and producing the ad layouts. These two worked well together. Liz Gyves came to each meeting full of ideas, willing to help and doing anything needed. Liz proved vital in getting work done, as she oversaw and produced everything from Clubs to Homecoming to the Underclassmen pages. Melanie Vaughn, always arrived with a smile willing to help while Katie Oberlander produced the pages in the Sports section. Francis McLaughlin and Jeanie Gasson, the only two Juniors of the yearbook staff, provided immeasurable help with cropping, writing captions and finding pictures. A very special thanks to Ms. Murphy's TA's Kayla Certuse and Chrissy Zogalis for doing hours upon hours of busy work (especially Senior Memories). And thanks to anyone who did all of our little odd jobs, like writing copy or giving candid pictures. And to Ms. Murphy, as a first year advisor, I don't think you really knew what to expect out the yearbook experience, but in the end we produced a wonderful book. Through all of the tough and easy times, you approached the book with the same intensity and the same desire to make it perfect. Thanks.

Anthem for a _____ Youth:

With the prospect of an expansive future laying ahead of us, we often get caught up in the trivialities of every day life. However, every so often we are able to sit back and catch a glimpse as to the true experience of high school. A moment when we see through the facade and realize that we are all in the same boat. We all want the same basic things, to experience pleasure and avoid pain.

Beyond the cliques, beyond the groups of friends, beyond the teams we are all individuals. That is the most important thing that we can take away from high school. When we can look at ourselves and know that we are who we want to be, then we can be happy. We can be ourselves, independent of our "friends." The most difficult thing to do, however, is accept ourselves, our faults, and our imperfections.

These past four years have taught me more than I really know. To say that I was able to get everything out of it that I wanted would be a lie. But if I say that I got a lot, and that I was happy, would be true. From what I didn't get, I learned valuable lessons. Lessons of patience, lessons of love, and honestly, lessons of hate and temperance. From these lessons I was able to become a better individual, a better person.

Our sheltered days are shortly coming to an end. We are going to strike out on our own and find more. We will find more love, more hate, and more about ourselves. Hopefully what we find is something that we find admirable, hopefully the people that we encounter give love and patience, hopefully we can love the person whom we really are.

This is all so unclear and uncertain I can only offer one thing.... Carpe Diem. Seize the day. Live for today and not for tomorrow. We have no control over the future, the past is the past, but we can affect the present. We can live in the moment or we can sit back and let everyone else run our world, run our lives. Carpe Diem, it sounds so easy. It's not. My challenge to you is to do it, step out of the darkness, and seize the day, and when you do, you will find yourself.
